

ELITE PVC

FENCES AND DECKS

A FENCE FOR LIFE

Elite PVC is a family owned, family run business in Florida with the main goal of providing quality products and service to our customers.

Elite PVC is the exclusive distributor of All Season Fencing, leading Manufacturer & Supplier of Vinyl Fencing in North America with over 20 years in the industry.

PVC products, also referred to as vinyl, currently represent the fastest growing segment in the residential outdoor fencing industry, which is why homeowners are continuously choosing Elite PVC to increase the value and beauty of their properties. Not only do our vinyl fences have significant visual appeal, the installation for contractors and do-it-yourselfers is quick, easy and does not require the same effort as a traditional wood or aluminum outdoor fence and will last you twice as long. Not only is it durable, but it's also 100% recyclable.

Our system offers installers and end-users with a strong, well-made and dependable outdoor vinyl product that will provide many years of maintenance-free privacy and security. Elite PVC vinyl products are engineered and extruded in Toronto, Ontario with top quality raw PVC material from the U.S.

ONE OF A KIND H-POST
SECURES RAIL AND
PICKETS FOR STRONGEST
VINYL FENCE ON THE
MARKET

Knock Down System

Primary Components: 5" x 5" H-Post, 1 1/2" x 6" Rail, 6" x 7/8" Board, 96" x 72" Section

The Knock Down System is intended for easy installation and no maintenance. The "smart and unique" H-Post design is engineered for easy and perfect installation, suitable for all terrain including sloping and uneven terrain, as well as irregular property lot shapes, and does not require routing of the post to accommodate rail assembly. With metal reinforcement of the H-Post and metal reinforcement of the rails, the KD System is structurally sound for fence sections up to 8-foot width and 6-foot height.

Knock Down System - 2-Rail Style

Newport Series Full Privacy Fence

Primary Components: 5" x 5" H-Post, 72" x 72" Prefabricated Panel

The Newport Series: Full Privacy Fence is reminiscent of the immaculate northeastern summer White Houses that offered residents relief from the summer heat. Elite PVC's Newport Series brings back elegance while offering complete privacy and security for your home.

Newport Series – 2-Rail Style: The classic 2-Rail model's clean lines offers full privacy and security with a flawless finish.

Newport Series – 3-Rail Style: The 3-Rail model offers greater reinforcement while maintaining the clean aesthetic of the classic Newport series.

Super Fence System

Primary Components: 6" x 6" H-Post, 2½" x 6" Rail, 6" x 7/8" Board

The High-Performance Fence System ("Super" Fence) takes the Heritage Fence System to the next level. While maintaining the benefits of the Heritage Fence System, including easy installation, design flexibility and aesthetics; the High-Performance System offers superior structural performance, designed for high wind load applications and other structural fence applications. With its super-sized, and metal-reinforced H-Post and rail components, Elite PVC's High-Performance Fence is the strongest vinyl fence system in the market.

Bridgeport Series Horizontal Fence

Primary Components: 5" x 5" H-Post, 75" x 75" Sections

The Bridgeport Series is designed for special projects. 5" x 5" H-Post and 75" x 75" sections. Call us for more information.

Performance by Design

From its core, Elite PVC embodies easy installation and maintenance, beginning with its unique H-post profile. This unique 5"x5" profile is engineered to strongly anchor the fence panels, where its characteristic 'H' channel allows for secure grip and adjustable leveling and perfect finish with no gaps or space between panel and post.

EZ Cut, Screwed, Nailed	Good	Poor	Good
Lightweight	Good	Poor	Good
Easy Installation	Good	Medium	Good
Durability	Good	Medium	Poor

What Makes ELITE PVC's fence the Best Choice:

- Elite PVC's fence is the strongest fence on the market, using heavy duty H posts spaced 6' apart vs 8' offered by the competition. More posts per foot means it's 30% stronger and will resist higher wind loads for a longer period of time.
- New universal gate kit with aluminum side rails and stainless steel hardware, fits 20" to 60" openings.
- Elite PVC's fence comes with a Lifetime Warranty.
- The most up-to-date design on the market.
- Customized options available.

Manufacturer's Limited Lifetime Warranty

All Season Fencing warrants its vinyl fence products are free from defects in material and manufacturing workmanship. When installed under normal conditions and proper use, All Season Fencing vinyl fence will not peel, pit, rot, blister, warp, crack, abnormally weather, or be consumed by insects. If such a defect or degradation is discovered, All Season Fencing, at its discretion, will repair or replace the defective material. For more information, please visit our website.
